Date/Time	Body
	--After numerous attempts to reach an occupant of the property, I drove across the street to notate my attempt. Shortly after, one of the vehicles from the property, a white BMW, FL tag AG65GL drove out of the gate and passed me. The driver did not stop at the stop sign. I met the driver at the intersection of Griffin Road and Weston Road. It was Faith Haslem, the defendant's spouse. After identifying myself and the reason for my attempt of service, Faith Haslem took pictures of my SPS badge and refused to communicate. After reading the summons out loud, I placed it on her windshield as sufficient service. I

	also ran the tag AG65GL and it came back to Faith Haslem. I Googled her name and it was the same person I served.
